Gary I can't thank you enough for referring me to Francesco, he is fantastic. He's smart, thorough, diligent, reliable and a very nice guy too.

His work is fantastic, I can't wait for you to see what he's done at the house, really excellent work. And I am recommending him to everyone I know.

Thanks again.

Love,

ADE

Subject: Comment on your talent...

Francesco, I was at Adryenn's home yesterday and witnessed the magnificent job you are doing.

I am impressed with your talent in designing space and making it usable – never seen anything like it before.

When you are done with her job – I have some work for you to consider at my place.

One project I thought could never be accomplished until I saw your work at Ade's.

Let me know when you are free and I will go over the concepts with you – 858-735-2144.

Yours, Gary

(Tracy – sometime next week I want to take you to Ade's to see what I am talking about. And Chris when you have time I would like to show you and Rolland what he has done.)
